Wushu Amsterdam Membership Subscription Contract

Version 2027-01 – for subscriptions starting from 1 January 2027

This Membership Contract (hereinafter referred to as the "Contract") is made between "Wushu Amsterdam" (hereinafter referred to as the "Club"), a non-profit sports club registered with the Dutch Chamber of Commerce (Kamer van Koophandel), and the undersigned member (hereinafter referred to as the "Member").

Summary of the most important terms

- The subscription starts on the first day of the month after signing and runs for three or six months. July and August do not count.
- The membership fee is paid in advance: in full, or in monthly installments by **automatic recurring bank transfer**.
- The subscription **renews automatically** for the same period unless the Member cancels at least one month before the end of the Contract Period. **The Club does not send a reminder; the Member is responsible for cancelling in time.**
- The Member can upgrade from 1x to 2x per week at any time. Changing from 2x to 1x per week is only possible for a new Contract Period.
- July and August have one week of classes, free of charge for Members with a running contract.

1. Subscription Periods

a. **Types of subscription.** The Member chooses a six-month contract, a three-month contract, or a membership without contract (section 3c).

b. **Start.** The subscription commences on the first day of the month following the date of signing, or on the first day of a later month chosen by the Member. If the Member wishes to train in the month in which the Contract is signed, the Member can contact the Club to pay for that month separately. That month is not part of the Contract.

c. **Contract Period.** The subscription continues for a period of three or six months (the "Contract Period"). Following the Contract Period, the subscription will automatically renew for successive periods of the same length, unless terminated as outlined in section 7.

d. **Summer Holiday period.** The months of July and August are not part of the Contract Period and do not count towards it. During these months there is one week of classes, which is free of charge for Members with a running contract. A Contract Period cannot start in July or August. For example, a three-month contract starting on 1 June covers June, September and October.

2. Club Membership

a. The Club agrees to provide the Member access to those gym facilities indicated as the official training locations on the Club's website on Wednesdays and Fridays (hereinafter referred to as the "Gyms") for the contract duration, in exchange for payment of the membership fee.

b. With a **1x per week** subscription, the Member may attend one training per week, on Wednesday or on Friday; the Member may choose a different day each week. With a **2x per week** subscription, the Member may attend both trainings every week. Missed trainings cannot be moved to another week and are not refunded.

c. Access to the Gyms is subject to the operational policies of the Gemeente Amsterdam. In the event that the Gyms are closed due to decisions or regulations implemented by the Gemeente Amsterdam, the Club will not be obligated to provide access during those closures.

3. Membership Fee

a. At the time of contract signing, the monthly membership fee is:

	1x per week	**2x per week**
Six-month contract	€35 (students €30)	€45 (students €40)
Three-month contract	€40 (students €35)	€50 (students €45)
Without contract	€45	€55

b. Student rates apply to the six-month and three-month contracts only. The Member sends a copy of a valid student card or proof of enrolment (bewijs van inschrijving) to the Club by email within 7 days of signing; otherwise the regular rate applies.

c. A membership without contract runs per calendar month and does not renew automatically. The Member continues by paying for the next month before it starts, without signing up again. In July and August the fee is €11.25 (1x per week) or €13.75 (2x per week).

d. While the Club strives to offer a stable membership fee, the membership fee is subject to change. Members will be notified of any changes at least three weeks in advance of the new fee taking effect and will have the opportunity to cancel their subscription if desired.

4. Payment Method

a. The Member will make payment to the Club's bank account, for which the relevant information will be provided to the Member. All payments are made in advance.

b. The membership fee for the Contract Period can be paid in full or in monthly installments. If the Member pays in full, the payment must be received before the start of the Contract Period. If the Member pays in monthly installments, the Member must set up an **automatic recurring bank transfer**, so that every installment is received before the start of the month it is for.

c. No membership fee is due for July and August. The Member pauses the recurring transfer for these months; payments received for these months count towards the next month.

5. Late Payment

When the payment agreed upon in this Contract is overdue, a request for immediate payment will be made to the Member. Failure to comply with this request within 2 days will result in termination of the Contract by the Club.

6. Changes to the Subscription

a. The Member may upgrade from 1x to 2x per week at any time. The upgrade takes effect on the first day of the next month, from when the fee for 2x per week applies. The Contract Period does not restart.

b. Changing from 2x to 1x per week is not possible during a Contract Period. The Member may choose 1x per week, or a different contract length, for the next Contract Period by informing the Club at least one month before the end of the current Contract Period.

7. Termination and Refunds

a. **Termination by the Member.** The Member may cancel the subscription by sending written notice of cancellation by email to the Club, at least one month prior to the end of the current Contract Period (for example, by 30 September for a Contract Period ending on 31 October). Failure to do so will result in automatic renewal for another Contract Period. **The Club will not send a reminder of the cancellation deadline; the Member is responsible for cancelling in time.**

b. **Termination by the Club.**

   i. **After the current Contract Period.** The Club reserves the right to terminate this Contract after every Contract Period. Members will be informed of such a decision before the start of the next Contract Period, and those Members that have already paid their membership fee for it will be fully refunded.

ii. **During the current Contract Period.** The Club reserves the right to terminate this Contract with a Member if they violate the Club's rules and regulations. In this case, the Member will be eligible for a refund of the already paid membership fee for the remainder of the Contract Period to their bank account. No refund will be provided if the termination occurs in the final month of the Contract Period.

c. **Minimum number of Members.** A minimum number of Members is required for the Club to offer the services provided under this Contract. If the number of Members is deemed insufficient, the Club may decide to stop providing these services. Members will be informed of such a decision at least one month in advance, and Members who have already paid their membership fee for the period after that will be fully refunded.

d. **Withdrawal.** A Member who signs up online may withdraw from this Contract within 14 days of signing, without giving a reason, by email to the Club; if the Member asked to start training within these 14 days, the Member pays for the period until the withdrawal.

8. Liability

The Club is not liable for any injury, loss, or damage sustained by the Member while using the Gyms, except in the case of intent or gross negligence by the Club. The Member acknowledges and assumes all risks associated with the use of the Gyms.

9. Signing and Personal Data

a. This Contract can be signed online through the sign-up form on the Club's website, by ticking the required boxes and typing the Member's full name as signature, or by signing below. After signing online, the Member receives a confirmation email.

b. The Club uses the Member's personal data only for the administration of the membership, as described in the privacy statement on the Club's website.

c. This Contract is written in English. Translations, including automatic translations on the Club's website, are for convenience only.

By signing below, the Member acknowledges that they have read and understood the terms of this Contract and agree to abide by them. (Only needed when signing on paper or by email; when signing up through the website, the online form replaces this part.)
